Not at all

A little

Somewhat

A lot

A great deal

DISCOVERIES & CHALLENGES

- **New Interests & Skills:** When asked about discovering new outdoor interests or skills, **6** people said "a lot" and **4** people said "a great deal".
- **Most Impactful Moments:** Participants most often mentioned the **electric triangle**, **cooking**, **campfires**, and **fishing** as the most impactful parts of their experience.
 - One participant said they "**overcame my fear of worms**".
 - **Several campers specifically mentioned learning how to cook their own food.**
- **Overcoming Challenges:** The most frequently mentioned challenge that campers overcame was the **electric triangle**.
 - **One camper said they felt "challenged" by it, while another said overcoming it made them feel "good".**
 - Campers also mentioned challenges like **setting up tents and canoeing.**

TEAMWORK & LEADERSHIP

- **Effective Teamwork:** The **electric triangle** was overwhelmingly cited as the time when groups worked together most effectively.
- **Felt Important:** **6** people felt their contributions were "a lot" important to the group's success, and **3** people felt they were "a great deal" important.
- **Gained New Skills:**
 - **7** people said they had "a lot" of opportunities to help other group members, and **7** said "a great deal".
 - **6** people learned "a lot" of new ways to communicate effectively with their peers, and **3** learned "a great deal".
 - **7** people said they learned "a lot" about how to help their group solve problems, and **6** people said they learned "a great deal".

SUGGESTIONS FOR IMPROVEMENT

- **More Snacks:** The most common suggestion for improvement was to have **more snacks or specific food items**, such as peaches, apples, and drinks.
- **Worms:** Two people requested "**more worms**".
- **The Electric Triangle:** One person suggested removing the electric triangle, while multiple people said "nothing" needed to be changed, and that the camp was "perfect".
