- **December 20**
- **January 3**
- **January 10**

\$75.00 fee includes Master Gardener Training Manual
Does not include \$5 WIMGA dues (sent separately to WIMGA)

Level 1 MG Training is only offered through local UW-Extension offices. Training is a minimum of 36 hours of in-depth classroom training on a variety of horticulture topics including botany, soils, pest management, entomology, plant pathology, weeds, and much more. This is intended to provide a basic understanding of horticultural concepts necessary to complete the volunteer service required for certification, as well as learning where to acquire additional information and resources in order to answer questions.
