

# Gitigaanens Ogaa!

Turn a handful of fresh pea peas into a fun school of **gitigaanens ogaa!** (vegetable walleye!)

Begin with a pea pod body, then add triangular fins cut from any colored peppers or other pea pods cut into triangles (use a clean pair of scissors or pairing knife). For a tail, cut a second pea pod into a V. Have your kids give their **ogaa** a sliced carrot circle or olive eye, glued in place with cream cheese, peanut butter or sunbutter.

Enjoy!

## Gitigaanens Waasamoowidaabaan Vegetable Car

With help, slice carrots in circles for “wheels”.

Stick carrot wheels to pea pod with cream cheese, peanut butter or sunbutter for a yummy, fun snack!
